*Publication of the Chicagoland Foxhunters*

March 2024

Vol 13 No 3

Two meter foxhunting in Chicago started in the early 1960s. One of the first hunts started on 147.30 MHz. The starting point was in Des Plaines near the Centel Building. With the introduction of 2 meter repeaters, it moved to the CFAR repeater. There were hunts on the WAFAR, ACL and CFMC repeaters with a simplex hunt sponsored by the RAMS on 146.34 MHz. Now the lineup is on CFAR, CMFC and two simplex hunts.

CFAR 2M Foxhunt - Mar 2nd, 2024 by Mike WA9FTS Fox - Matt KC9SEM, Patty N9PLS

The fox could not be heard and it took about 16 min to fix it. The four hunters got off on 355 but some got off and took side roads in the direct of south. It took a long time for the signal to increase. We got to New Lenox and drove around - finally to the VFW. Getting out Jacob and Mac found Matt and Patty 2 minutes after Tony secured the win. Shorty Pete arrived for third. Tom got the location of the munch spot which was at the VFW Post 9545. We found out it was Marty N9LTE and Bill's birthday and we were their guest for the evening. ## VK3YNG Sniffer

All of our hunter use the VK3YNG Sniffer when we have to get out on foot to find the fox. We all use one in the vehicle also and W9RA uses his from start to finish.
